Finishing

Use the long tail of the lips to sew it onto your project. Stitch around the outside of the mouth and down the middle between the top and bottom lip. Weave in all yarn tails.

You can also use the luscious lips as an ornament by using the long tail to make a loop at the corner of the mouth or turn it into a fun key chain.

***AUTHORS NOTE**

This lip pattern is the same pattern I use for The Crocheted Moon's Nightmare Before Christmas inspired Sally Scarf!
