

# Candy Cane Curly-Cue Ornament

## Materials:

- Red and White yarn, 4 med weight
- Floral Wire, Jewelry Wire, or a red/white Pipe cleaner
- Tapestry Needle
- Hook: Size H 5.5mm

Candy Cane Coils: Make one with Red and one with White.

Chain 26, 2 SC in second chain from hook and rest of the way down chain.  
Fasten off and weave in ends with the tapestry needle.

Twist the two coils around each other and stick bendable wire through coils and shape candy cane. To make it into a hanging ornament you can tie an extra piece of yarn or string around the curve of the candy cane and then knot the two ends together creating a loop.
